Age Group Policy: Placement in age groups will be determined by the camper's age during the camp season. Proof of Age for 4 year-olds must be submitted to the Village, and in no instance may a camper begin camp until he/she has reached age 4.

Medical Coverage and Waiver: The Recreation Program provides limited accident insurance coverage for each child during participation in camp activities. It is not in any way a substitute for family medical coverage and Village strongly encourages that each participant should maintain their own sufficient medical coverage. I give permission for emergency diagnostic and therapeutic procedures, including hospitalization, securing proper treatments, injection of medication, anesthesia or surgery as may be deemed necessary for my child by the medical personnel in charge of care at the time; and also provide information concerning my child's medical condition to the responsible officials when deemed necessary. My child is in good health and has my permission to enroll and participate. My child has no previous sickness, illness, disease or bodily injury which is in any way a constraint or restriction to his/her participation in the Saltaire Day Camp. I understand that I must have a complete medical form signed by a physician on file prior to the first day my child begins camp.

Refund Policy: No refunds given for daily or weekly registration. For monthly and seasonal, 50% refund given if camper drops out on or before his/her fourth day of camp. No refund given after camper's fourth day of camp.

Use of Image or Likeness: I grant the Saltaire Day Camp, its representatives and employees the right to take photographs of my child in connection with his or her participation in the camp, and I further authorize its assigns and transferees to copyright, use and publish the same in print and/or electronically. I agree that the Village or Saltaire may use such image of my child with or without his or her name for any lawful purpose, including for publicity, illustration, advertising and Web content.
