

Dear Saltaire Day Camp Families,

My name is Dana DeRuvo, “Nurse Dana,” and I am thrilled to have been offered the opportunity to be the Medical Director for the Village of Saltaire Day Camp of 2021. I am looking forward to getting to know you and your children and enjoying the amazing things the children will do at camp. My top priority is ensuring that all of the staff and campers remain safe and healthy during their camp experience.

All of us are looking forward to spending as much time as possible outdoors, with family and friends this summer. With that being said, we are still in a pandemic. Our camp is required to follow the most up-to-date Suffolk County Department of Health Services (SCDOHS) regulations. All HIPAA protocols will be practiced, by myself and the staff, so that no person's privacy is compromised.

SCDOHS requires that all campers have up to date annual physicals and immunizations on file with the Camp. Please send in a current annual physical exam/immunization form signed/stamped by your child’s health care provider when you register your child for Camp. The forms can be emailed to me at nursedana@saltaire.org or faxed to 631-583-5986.

I can be contacted by cell phone *during camp hours only* from Monday-Friday at 631-210-4037 from 8:00am - 1:00pm. I can also be reached by email at nursedana@saltaire.org.

Thank you for your cooperation. Let’s all have a fun and healthy camp experience.

Sincerely,

Dana DeRuvo, R.N., BSN
